

### **Packaging Maintenance Supervisor 3<sup>rd</sup> Shift**

City Brewing Company, a leading manufacturer in the beverage industry, has an immediate opening for a Packaging Maintenance Supervisor for 3<sup>rd</sup> Shift.

Responsibilities include overseeing packaging maintenance functions including directing and coordinating activities of workers engaged in repair, maintenance, rebuild, lubrication, and installation of machines, tools and equipment. Will also be involved with packaging equipment and/or packaging infrastructure continuous improvement projects, preventive maintenance programs, and efficiency improvements.

Candidates should have proven experience in a beverage or food production facility, preferably in a high speed packaging environment. Candidates should possess strong background in frontline supervision and employee relations, be self-motivated and team oriented and demonstrate excellent communication skills. Experience working in a Union environment helpful. Candidates must be willing to work overtime and weekends. Must be computer literate. High School completion required, certificate or degree in related field preferred; will consider combined documented training, certifications and/or relevant work experience.
