

## Automation Technician

City Brewing is the largest full-service alcoholic beverage contract manufacturer in the United States providing co-packing and supply chain services to blue chip customers across their Hard Seltzer, Traditional FMB, Beer, Spirit-based RTD, and premium non-alcoholic beverage brands. City currently operates out of three facilities located in La Crosse, WI, Memphis, TN, Irwindale, CA and Latrobe, PA with over 1800 employees. We have an immediate opening for an Automation Technician at our Latrobe, PA facility.

The Automation Technician is responsible for installation and maintenance of various control systems used throughout the plant, as well as PLC programming & troubleshooting, and HMI application programming and maintenance. The candidate must be capable of maintaining Windows-based computers, installing software and upgrading applications as necessary.

This position requires a high level of technical competence and ability to grow competitive capabilities of the Company. It also requires that this individual understands company philosophy and helps achieve customer service and other company goals. Finally, this position requires an individual who is planful, articulate and above all else, resourceful to accomplish required objectives.

### RESPONSIBILITIES include:

- Be fully capable of troubleshooting and repairing PLC systems. Candidates with Rockwell Control Logix, Compact Logix, SLC, and PLC5 experience are preferred. Must be able to use all supporting software for each of these platforms.
- Candidates must have prior experience with operator interfaces and be capable of troubleshooting those systems. Experience in Allen-Bradley Panel-View, Panel-View+, FactoryTalk SE, ME, and FactoryTalk View Studio software.
- Experience with electrical wiring diagrams, logic diagrams, P&ID diagrams, motor control schematics and specifications desired.
- Experience with loop controller, regulators, transducers, all discrete sensors, process Automation, pressure transmitters, flow transmitters, temperature transmitters, pneumatics and control valves are desired.
- Experience in Allen-Bradley servo programming and Automation, especially knowledge in Sercos control and Kinetix Servo Controllers.
- Experience in Allen-Bradley VFD programming, upgrading and maintenance. Proficiency with older (1336, 160, etc...) up to the latest drives (Powerflex 523 & 525 series) are necessary.

This position description is intended to guide the activities of the Automation Technician. It is not intended to limit the thinking and creativity of the person to the work of this function, nor is it intended to describe all the work that may be required of the person in this position.

### QUALIFICATIONS

- Relevant Manufacturing experience totaling 4-8 years.
- Work shifts (no rotating shifts).
- Demonstrated motivation and ability to work with minimal supervision.
- Willingness to adopt and express a view that may differ from that of organizational leadership.
- Proven problem-solving ability.
- Proficient in Microsoft Office software (Word, Excel, Outlook).
- Strong Mathematical/Analytical skills.
- Must be able to work effectively in a team environment.
- Associate degree in electronics or equivalent job related experience or military experience.

### PHYSICAL AND MENTAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential function of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is occasionally required to stand; walk; sit; use hands to finger, handle, or feel objects, tools or Automation; reach with hands and arms; climb stairs; balance; stoop, kneel, crouch or crawl; talk or hear. The employee must occasionally lift and/or move up to 25 pounds. Specific vision requirements in close vision and the ability to adjust focus.

City Brewing Company provides a competitive salary and benefit package which includes: Health, Life, Dental and Short/Long Term Disability Insurance; Section 125; 401(k); and more. Position will remain open until filled.
