

Manufacturing Technician

City Brewery is the largest full-service alcoholic beverage contract manufacturer in the United States providing co-packing and supply chain services to customers across their Hard Seltzer, Traditional FMB, Beer, Spirit-based RTD, and premium non-alcoholic beverage brands. City currently operates out of four facilities located in La Crosse, WI, Memphis, TN and Latrobe, PA and Irwindale, CA.

City Brewery is actively hiring for a Manufacturing Technician in our Latrobe, PA facility.

Responsibilities include:

- Completing repairs and performing preventative maintenance on pumps, valves, and gearboxes.
- Troubleshooting emergency maintenance problems of all packaging production lines and conveying systems.
- Fabrication and modification of components to improve manufacturing processes; and maintaining records, logs and files as requires.

Qualifications:

A minimum of two (2) years maintenance/industrial automation experience and/or related coursework required. The ideal candidate has experience troubleshooting and repairing manufacturing equipment. Pneumatic, hydraulic and welding experience a plus.

Applicant must be team oriented with excellent problem solving and communication skills. The ability to be available to work any shift, including weekends and work overtime is required.
