

Packaging Associate

City Brewing Company located in La Crosse, WI is a premier manufacturer and co-packer of quality beverages. We are currently seeking immediate applicants for our **second and third shift packaging positions** in the Packaging Department. Our Packaging Associates operate machinery on packaging production lines with the objective of producing the best quality product as efficiently as possible.

Second shift is 2PM-10PM and third shift is 10PM-6AM; all shifts have **paid breaks**. Availability for overtime necessary.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Responsible for machine operation on a high speed packaging line.
- Comply with all work and safety rules, including wearing of personal protective equipment (i.e. safety glasses, gloves, hat and/or hairnet, goggles, rubber boots, composite or steel toe shoes, etc.)
- Be able to work any and all scheduled hours, any and all shifts, change shifts during the week, and work required weekend overtime.
- Work with and/or around hazardous chemicals (i.e. caustics, acids, ammonia) with personal protection equipment, and on-site training.
- Maintain a high standard of personal hygiene, health standard, and sanitation as mandated by FDA regulations, Department of Agriculture and other regulatory agencies – municipal, state and federal.
- Be able to read work orders, machinery and equipment controls for operation, and operate computer.
- Have mathematical ability for inventories and record keeping.
- Be able to operate and maneuver high pressure air and water hoses (hot and cold) for cleaning machinery and floors.
- Follow all GMP and food safety rules including ones specific for the job function

Candidates must be able to lift up to 50lbs, hold a high school diploma or GED, and pass a post-offer drug screen and physical capacity exam. This position offers an excellent wage and benefit package.
