

Assistant Manager Quality Assurance

City Brewing Company, a leading contract manufacturer in the beverage industry, has an immediate opening for an Assistant Quality Assurance Manager at our La Crosse, WI facility. This position is responsible for the efficient operation of the Quality Assurance department under the guidance of the Quality Assurance Manager. The Quality Assurance department provides support to outside customers and to internal production departments to ensure that plant output meets required specifications in accordance with the principles of HACCP, food safety, and good manufacturing practice.

Essential Duties and Responsibilities include, but are not limited to:

- Communicate effectively with other Departments regarding the quality of output.
- Effectively develop and manage a program to monitor output of the various stages of the production process, including record keeping and timely communication of results.
- Assist production departments in troubleshooting causes for deviations from specifications.
- Develop, codify, update, and communicate internal and customer quality specifications in a comprehensive and readily accessible form.
- Effectively provide departments with results of regular monitoring microbiological results and GMP compliance.
- Communicate directly with customers regarding quality issues and help ensure that customer expectations regarding samples and record keeping are met.
- Assist others in meeting requirements of Continuous Improvement and standards of Good Manufacturing Practice.
- Effectively manage a staff of exempt/non-exempt personnel to ensure a cost effective allocation of labor.
- Provide for staff and personal training as needed, and assist in meeting the Quality Assurance related training needs of other departments.
- Prepare and monitor department capital projects.

Qualifications:

- Previous supervisory/management experience, preferably in the beverage industry.
- Degree qualification in Food Science or in a related discipline (Chemistry, Microbiology, Biology, or equivalent work experience and/or professional certifications.
- Excellent written and oral communication skills.
- Strong leadership skills.
- Ability to work effectively in a team-centered environment.
- Ability to prioritize and organize a wide variety of tasks, both personally and for the department.
- Strong working knowledge of the basic principles of HACCP, Food Safety and Food Defense, and the principles of Good Manufacturing Practice.

City Brewing Company provides a competitive salary and benefit package that includes: Health, Life, Dental and Long Term Disability Insurance; Section 125; 401(k); and more. Please visit our website at www.citybrewery.com to learn more about us and to apply.
