

Batching Manager

City Brewing Company, a leading contract manufacturer in the beverage industry, has an immediate opening for a Batching Manager at our La Crosse, WI facility. This position is responsible for the efficient operation of the Batching department, overseeing the timely and efficient production of teas, energy drinks, and flavored malt beverages in accordance with the principles of good manufacturing practice.

Essential duties and responsibilities include, but are not limited to:

- Design and support procedures for the efficient production of blended beverages.
- Communicate effectively with other departments regarding liquid supply and quality issues.
- Manage a program to monitor output of the various stages of the batching process, including record keeping and timely communication of results.
- Communicate directly with customers regarding production issues and help ensure that customer expectations regarding samples and record keeping are met.
- Codify, update, and communicate internal and customer quality specifications in a comprehensive and readily accessible form.
- Manage the preparation, implementation, and monitoring of departmental continuous improvement projects. Assist in the preparation, implementation and monitoring of department capital projects.
- Manage department materials, including inventory and changes to bills of material.
- Troubleshoot causes for deviations from specifications.
- Manage and motivate employees to ensure a cost effective allocation of labor.

Qualifications:

- Three to five years' experience in a managerial position, preferably in the brewing or beverage industries.
- B.Sc. in a related discipline (Chemistry, Microbiology, Biology, Engineering, etc.) or equivalent.
- Specialized training in Brewing Science from a recognized institution, or equivalent experience.
- Strong written and oral communication skills.
- Ability to work effectively in a team-centered environment.
- Ability to prioritize and organize a wide variety of tasks, both personally and for the department.
- Working knowledge of the principles of Good Manufacturing Practice.

City Brewing Company provides a competitive salary and benefit package that includes: Health, Life, Dental and Long Term Disability Insurance; Section 125; 401(k); and more. If you are interested in joining our team, send your resume to:
