

## ELECTRICAL SUPERVISOR

City Brewing Company, a leading contract manufacturer in the beverage industry, has an immediate opening for an Electrical Supervisor, at our La Crosse, WI facility. In coordination with management, this position is responsible for planning preventive maintenance, repair work, and project work related to electrical maintenance in order to keep the plant in operation. This position directs and supervises this work to be performed by the electricians.

### DUTIES AND RESPONSIBILITIES include, but are not limited, to:

- Plan, assign and supervise work of Union electricians.
- Review work planning and weekly scheduling with affected departments.
- Approve emergency work and reschedule planned work.
- Obtain pricing, place orders and prepare usage estimates for needed supplies, parts, tools and materials.
- Arrange for work support, materials and parts to minimize interruptions in operations and ensure work is done in the most efficient and cost-effective manner.
- Develop and maintain PM schedule for equipment and facilities to reduce unplanned downtime.
- Maintain records of scheduled and unscheduled work for development of work order system.
- Review data to make recommendations for improvement and provide solutions to electrical maintenance related issues.
- Create and implement SOP's for areas of responsibility.
- Review work of electricians. Provide for training and continuing education opportunities. Train employees on new policies and procedures.
- Handle coaching and discipline for Union electricians.
- Maintain a working knowledge of plant operations to assist other departments with area expertise as needed.
- Assist in planning large projects and installations.

### QUALIFICATIONS

- Completed apprenticeship and minimum two-year degree in related field.
- 8 years manufacturing experience, food and beverage production preferred.
- Minimum 2 years supervisory experience, Union environment preferred.
- Strong verbal and written communication skills.
- Strong computer skills including Microsoft Office.
- Able to thrive in a fast-paced environment with changing priorities.
- Able to work as a self-starter in a team environment.
- Knowledge of Allen Bradley CLX.
- Knowledge of electrical code.
- Trained in Arc Flash.
- Knowledge of HACCP and GMP guidelines preferred.
- High-voltage experience preferred.
- Must be available on-call as required by operational need or plant emergency.

City Brewing Company provides a competitive salary and benefit package. This position will remain open until filled. If you are interested in joining our team, please forward your resume to:
