

FILTRATION SUPERVISOR

City Brewing Company, a leading contract manufacturer in the beverage industry, has an immediate opening for a Filtration Supervisor for a proprietary business unit at our La Crosse, WI facility. Responsibilities include overseeing day-to-day shift operations, personnel management, inter-departmental communication, and compliance with safety and sanitation procedures. This position serves as primary point of contact for all matters related to the operation.

ESSENTIAL DUTIES AND RESPONSIBILITIES include, but are not limited to:

- Ensure production of finished neutral malt base to meet end customer demands
- Coordinate production with Brewing and Batch/Blend Departments to manage inventory
- Order, receive and inventory raw materials and process supplies
- Coordinate finished product shipments and waste removal
- Serve as representative on all matters concerning operations production
- Data entry of production records
- Review Quality Assurance data and conduct sensory analysis
- Schedule personnel to support production
- Analyze and resolve work problems and/or assist workers in solving work problems
- Initiate personnel actions, such as performance evaluations, and disciplinary measures
- Assist in internal auditing, to support GMP, HACCP and Safety programs and practices
- Ensure compliance with Internal, Federal, State and local guidelines and regulations including GMP, HACCP, OSHA, FDA and TTB

QUALIFICATIONS

- Bachelor of Science degree in an applicable science (Biology, Chemistry, etc)
- Minimum of 2 years of practical, hands-on brewery, production or laboratory work
- Prior experience in frontline supervision or leadership role
- Possess excellent communication, planning and technical skills
- Strong leadership and team skills
- Good judgment and common sense
- Ability to work a flexible schedule as needed
