

SAFETY & SECURITY SPECIALIST

City Brewing Company, a leading manufacturer in the beverage industry, has an immediate opening for a Safety & Security Specialist at our La Crosse, WI location. This role assists the Safety & Security Manager in protecting people, the environment, and equipment from unnecessary harm. The position will assist in regulatory compliance responsibilities while proactively promoting the protection of human health, facilities, food safety, security, and work environment by maintaining regulatory OSHA and FDA Security compliance.

Essential Duties and Responsibilities include, but are not limited to:

- Review existing policies/systems against current regulations and initiate the development of new or revised policies
- Monitor and investigate security door access system or fire protection system alarms
- Assist with Fire Department and/or insurance company inspections
- Assist with maintaining all applicable OSHA mandated Programs and Standards in master policy manual
- Act on or assist with general concerns by making recommendations
- Assist with training all new employees on City Brewery Safety Programs
- Assist with audit program quarterly and review audit forms
- Ensure all CO₂, O₂, 3-gas and 4-gas monitors are maintained at all times and appropriate documentation regarding inspections are recorded
- Assist with scheduling annual air mask training and coordinate fit testing for affected employees
- Review all chemicals (MSDS) prior to being utilized in the facility
- Entering MSDS information into automated system and department manuals
- Assist in development of safety awareness training and labeling for chemicals
- Recommend, order, and maintain inventories of the specific PPE for specific job hazards
- Assist with audit program annually
- Do spot checks during walk-through inspections
- Assist departments with training and development of programs, procedures and forklift safety checklists
- Maintain contractor safety manual
- Assist with and ensure all contractors are trained on specific areas of City Brewery and OSHA safety programs
- Assist with department safety checklists and inspections
- Participate in Safety Committees to address safety programs, required training and safety concerns brought forward by members

Qualifications:

- BS degree in EHS, Occupational Safety or related field. Will consider combination of experience and certifications
- 2-5 years of progressive experience in an EHS role in a manufacturing facility; food/beverage production environment is preferred
- Familiarity with local, state, and federal compliance standards
- Excellent verbal/written communication skills. Proficiency in Microsoft Office Suite
- Strong organizational skills and attention to detail
- Ability to work in a team environment
- Must be able to work flexible and on-call hours
- HAZWOPER and Medical Responder certification a plus
